Welcome

Our nursery is located in the Piedmont Triad region of North Carolina. Our wholesale tree nursery in Gibsonville, NC specializes in field-grown B&B ornamental shade trees. In addition, we offer North Carolina Christmas trees grown on our Sparta, North Carolina tree farm.

Following in the footsteps of his grandfather and father, owner Bruce Wagoner attended NC State University and received his BS in Ornamental Horticulture in 1988. Bruce joined the family's Christmas tree business in 1989 and in 1990 opened Wagoner's Nursery.

Throughout the past 20 years Wagoner's Nursery, LLC has worked diligently to identify and meet the needs of our customers. As a result of that focus, what has consistently set us apart are our quality and our attention to personal service.

We invite you to visit our North Carolina nursery and see the difference.

If you have any questions or would like more information regarding current availability please visit our website at www.wagonersnursery.com or contact us at (336) 449-5532.
